VARIETAL COMPOSITION: 100% Pinot Gris

HARVEST DATA: Hand-harvested on 10/6 - 10/25, 2007

VINEYARD SOURCES: 39% Wahle
26% Carabella
10% Jacob Hart
25% other premium sites

CELLAR TREATMENT: Aged 5 months: 100% Stainless Steel

DATE BOTTLED: April 2008

PRODUCTION: 1983 cases (12/750 ml)

BOTTLING CHEMISTRY: pH 3.51, TA 6.3g/l, RS 0.27, Alc. 13.5

VINTAGE NOTES:

A cold, wet spring and summer as well as a stormy harvest made for a most challenging vintage. For those who kept up with those challenges by diligently containing the disease pressure and waiting to pick, there was little rot, some high brix levels and the reward of beautifully classic Oregon wines.

TASTING NOTES:

The bright acidity characteristic of the 2007 vintage is beautifully balanced by natural fruit sweetness and minerality on the palate making this a versatile wine for the dinner table. Floral aromatics with baked pear and apple notes complement this restrained but elegant wine.
