

REX HILL *Pinot Noirs*

2008 REX HILL WILLAMETTE VALLEY PINOT NOIR

Perfect Pinot Noir color, with the depth and loveliness of the 2008 Oregon vintage. Aromas of red raspberries, violets, and Bing cherries deepen to flavors of Asian plum, wet stones, clean earth and huckleberry on the palate. Rich tannins and bracing acidity balance out the abundance of juicy red fruit flavors, adding to the succulent texture and long finish. Will reward aging.

2006 REX HILL WILLAMETTE VALLEY RESERVE PINOT NOIR

This wine represents the best fruit and ensuing wines from many different vineyard sources situated around the Willamette Valley. With a nod to the seventies, this wine has a 'red disco-light' color and aromas of stone fruits: nectarines, peaches and Black Doris plums. The gentle, warm flavors of vanilla, ginger, cloves and brown sugar are reminiscent of a glorious winter dessert.

2007 REX HILL JACOB HART PINOT NOIR

A vivid wine with both color and aromatics expressing wild raspberries, marionberries & huckleberries. The wine has a generously lifted nose and speaks with a distinctly feminine voice. The palate is full and round, demonstrating secondary attributes of fresh-cut fruit - nectarines, peaches & cherries. The well-integrated wood is reminiscent of rosewood or even sandalwood. Moderate tannins, true-to-vintage acidity & restrained alcohols give this wine great freshness, vitality & fidelity.

REX HILL *White Wines*

2007 REX HILL CHARDONNAY

Our 2007 REX HILL Willamette Valley Chardonnay is true to vintage and variety. We ferment in neutral oak and small stainless steel barrels giving the wine enhanced lees contact. This results in a rich texture while maintaining bright acidity balanced by natural fruit sweetness and minerality. Complex aromatics and flavors of nectarine, roasted vanilla bean, lemon verbena and white pepper create a versatile food wine.

2009 REX HILL PINOT GRIS

The REX HILL Willamette Valley Pinot Gris harmonizes the rich, ripe fruit from the 2009 vintage with stunning focus and acidity. The nose is a complex bloom of fresh orange, pineapple, and minerals. On the palate, the wine is succulent and juicy but bright with Kaffir lime, mango and lemon blossom. Lingering high notes of spiced ginger tea move seamlessly into a clean, bright crisp finish. Wonderful right now but will gain in dimension and complexity over the next five years.
